Lausche's (D., Chio) staff called to see if we were concerned with a matter about which a constituent, said he and his family were having difficulty finding and keeping jobe due to security problems. One see had been withdrawn from a job another had been put out of the Navy and he himself had lest jobe due to security even though he had been employed and apparently still is employed in work requiring clearance. I told Mr. Andrews that on the facts given we were almost certain we were not involved in any one of these and is all probability the Bureau and Defense security systems would have the information on those cases. He thanked me and said that was all he wanted to know. 25X1 3. Kenneth BeLieu, Staff Director of Senste Preparedness Investigating Subcommittee and Senate Aeronautical and Space Sciences Committee, called to say that Senator Lyadon Johnson has received letters from an individual who wishes to come to Washington and bring with him an anonymous friend who is interested in discussing conditions in Koran.
